BOCCE NEWS

By Barbara Orlando

Remembering our dear friend, Joe Pulis

Last week was Memorial Day and a day for remembrance. On that week-end, bocce friends made a final toast to Joe Pulis, at an impromptu gathering (distancing) to say farewell to a wonderful man. So many kind words from team-mates and friends. Anybody who knew Joe, could tell you he spent hours at the courts practicing, coaching and playing the game he loved. His friends will miss him at the bocce courts and in their lives, and remember him each and every time they play bocce. Joe you will be missed!

Check out our website at www.villagesbocceclub.com for more photos of our dear friend.

Until we play bocce again, the courts are closed to all bocce play. Please stay safe and healthy.
