**Meet Marcy Boyles, Newcomers Orientation** 

Marcy Boyles is a hard-working board member who meets and greets new Villagers at the Orientation Meetings when held. Like everything else which is held inside, Marcy is on hiatus during Covid-19. Along with her, Marty Schlager also helps at the Orientation Meetings helping pass out information and answering any questions our new neighbors may have about bocce. Thank you both, for your commitment and dedication to the Bocce Club.

Reservations for playing bocce are required for all residents and reservations can be made by going to <a href="https://www.villagesbocceclub.com">www.villagesbocceclub.com</a> and follow the prompts. Remember, you must reserve the courts before you can play.

As we continue Shelter in Place, the Bocce Club hopes you stay safe and healthy.
