Last year at this time, we were just starting the last tournament of the 2019 bocce season. The 2019 Fall Round Robin, was led and organized by Paul Andersen, tournament coordinator. Photos are of two teams participating. A total of 23 teams played through-out the 6-week tournament, with the playoffs

on the 7th week. Each team having played bocce the entire season, were in tip top shape and ready for all challengers. We miss all of our tournaments this year due to Covid-19, but rest assured the courts are full and reserved with team members practicing and honing their skills. Pretty sure most will be ready for a hopeful 2021 tournament season. If you haven't reserved a bocce court or gotten out to play, it's not too late.

Reserve a court by going to www.villagesbocceclub.com and in the right margin in bold, bright wording, click on "Reserve a Court". Having trouble, contact Helen or George Paris at 408-440-4848. The bocce board wishes to thank those volunteers who helps make playing possible and all the players who are playing safe and following the rules.
